## Dear Well Wisher :

We always had an intention to uplift the down trodden living below the poverty line in and around Coimbatore, Tamilnadu. Enormous people are suffering from the clutches of poverty and ignorance due to lack of education, social backwardness and various factors. They are financially ruined and living under the cloud of darkness knowing nothing about tomorrow. This denied into our mind with great impact and made us into a "Sterner stuff" to march toward without any hesitation. This factor became a corner stone for our social work. So we gathered few like minded who are dedicated and determined to achieve our motto at any cost and formed an organization under the banner of "SAADHANAI CHARITABLE TRUST" a stubborn tree with a few more branches beneath to be grown. Due to paucity of funds and other supports we are stagnant. So at this juncture we appeal to all from our heart to lead your helping hand and comforward to donate liberally and generously for a genuine cause by the way your kindness to enlarge our activities.

Let us to "Lead kindly light" with a bright vision praying for your unstinted support to grow further.
